Bonaire is consistently rated as the top shore diving destination in the world and as a pioneer in preserving nature. There are over eighty dive sites, many of which are easily accessible by shore. The moment you arrive in Bonaire, you'll sense the tranquility of the island and the absence of crowds. You'll also be amazed at the clear water, with nearly 100 feet of visibility, and the spectacular diving and snorkeling just a few feet from shore.

Buddy Dive Resort will be your home for the week. The spacious condos, complete with a kitchen, allow you to cook your meals if you desire. Each condo comes with a truck and the on-site compressors are conveniently located near the parking lot for easy access and loading of tanks. When you dive in Bonaire, you're on your own schedule. You determine when and where you'll shore dive throughout the week. When you're not diving, the downtown area has quaint shops and art galleries to explore. You'll also find a variety of wonderful restaurants on the island.
